

Environmental Monitoring and Technologies, Inc.

A Service Disabled Veteran Owned Small Business

EMT is a leader in providing quality analytical support and we can add value to your federal contracting team. We are a Service Disabled Veteran Owned Small Business specializing in analytical testing for environmental projects. Our DoD ELAP and NELAP accreditations allow us to work with our clients on projects nationwide. We frequently team with large businesses to help them with Small Business Subcontracting Plans.

Location

EMT is located 15 minutes from O'Hare International Airport, allowing us to provide excellent service for RUSH TATs.
